

SERIOUS HEAD PROTECTION

**GT6 PRO**

**INFO**

*The GT6 PRO features the same modern and aggressive design as HP6, developed for racers in closed-car environments, featuring a wide eyepoint for extended vision with an lightweight Premium carbon glass shell. Its ventilation slots can be connected to various types of air intakes for external cooling systems. It can be fitted with optional ear-muffs providing optimal noise insulation, with fully integrated radio communication kit and hydration systems (available separately or in RD version).*

- Lightweight Premium Carbon Fiberglass Composite shell
- Wide eyepoint opening for optimal vision in closed cockpit cars (Shield type SE06)
- Advanced multi-density, multi-piece liner to maximize energy absorption and impact performance
- Integrated channels in face piece offering multiple options to install drinking tube, valves and radio systems
- Extraction vents to maximize cooling and air circulation
- Factory installed Hans anchors as original equipment
- Optional Top and Side air intakes available for use with external cooling system
- Optional side-cover (L or R) for smooth integration of radio connectors and hydration system
- Optional Ear-Muffs for increased noise insulation
- Interior: Dark Grey High Strength – High Comfort FR Fabric
- Color: White or Matte Black
- Sizes: 54-55-56-57-58-59-60-61-61+
- Homologation: FIA8859-2015 & SNELL SA2020
